CrossCulture Ministries

BJ Brantley

Ignite Outreach

Bill Foster

Meet the Skeptic

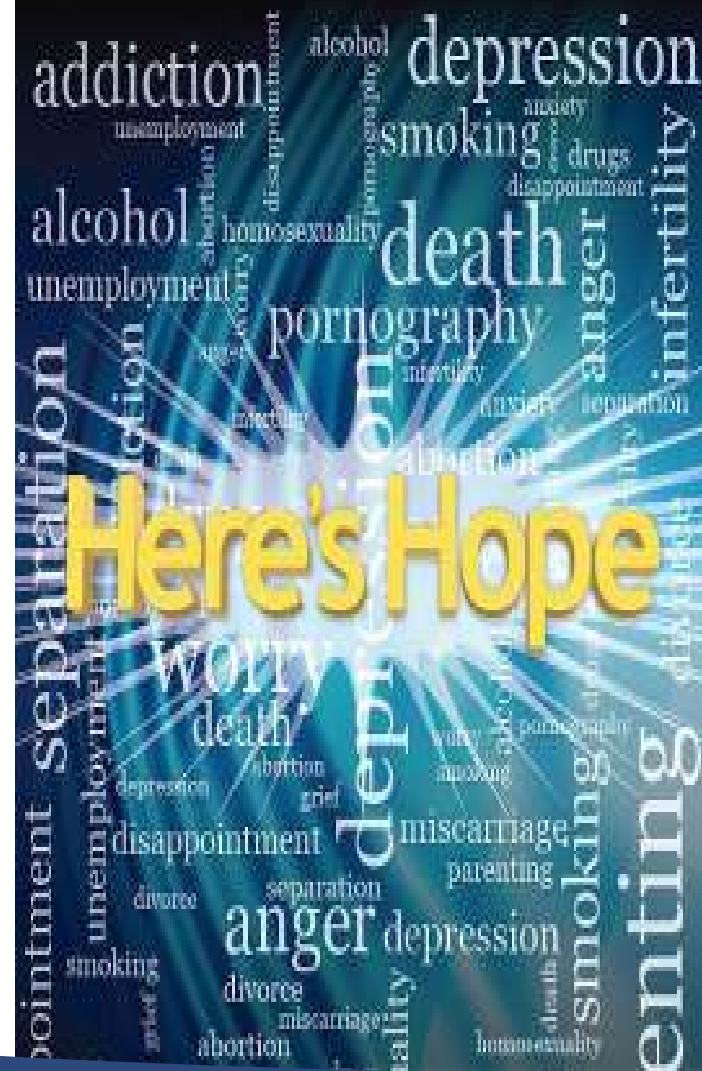

Life comes with a series of challenges & joys ...and also problems & sorrows. Families, churches, schools, community leaders, and ministers want to help the hurting people in their community, but often lack resources, personnel, and sometimes, even the knowledge of how to make a difference!

WE CAN HELP GET THE HELP!

**Live Site
NETWORK**

presents

Host Churches and Community Groups can host a **Here's Hope Event** to assist local individuals and families struggling with...

-Grief - Divorce -Unemployment

-Addictions -Parenting -Finances

-Homosexuality -Unbelief -Infertility

-Miscarriage -Depression

-Post-Abortion -Separation -Skeptics

Why not host a **Here's Hope** Event in a partnership with other community churches and LiveSite Network? We can aid you in your challenge to spread the **Hope of Jesus Christ** to people who need to overcome the trials of life. We'll equip your community with the resources you need to make a difference!

Here's Hope NC Events

Coming In 2011!

Here's Hope NC Needs

Randall Floyd received training at F.S.U; Southern Seminary; New Orleans Seminary; and is completing a Doctoral Project at Trinity Seminary. Randall is married to Shannon, a National Board Certified School Teacher. They have two sons, Nick & Connor.

Randall volunteers as an Educational Consultant & Trainer and is the founder of **LiveSite Network (the sponsor of Here's Hope NC) and Educational Evangelism Ministries**. Randall serves as the Education Pastor at Grey Stone in Durham, NC where the **HERE'S HOPE** Ministry Model was founded and launched multiple community support ministries.

LiveSite Network was founded as *Educational Evangelism* in 2001. This ministry has recently shared in an evangelistic and compassionate vision with our teams through a year-long process of prayer and consulting with several ministries. The **Here's Hope NC** ministry model will engage churches and communities with a 2 or 3 year partnership which allows our teams to pursue a relationship in which consultants can provide resources and training using "Kick-off" Events. Before & after each event, we will engage "Live-on-Site" to equip the community by providing educational services and referrals to assist in ministry with evangelistic goals. Our aim is to provide each of our unique ministry events within 3 to 6 months, returning over the course of 2 to 3 years in a given local community.

Our Events include...

1. **Here's Hope** across the state of NC. Utilizing our Here's Hope Team including Jonathan Lotz (Billy Graham's grandson); JD & Kellie Tew; Cindy Johnson; Eric Garner, Brian Woodell, and others; This event can equip cooperating church bodies to reach their communities with *real help* for grief, financial difficulty, divorce, addiction, homosexuality, depression, etc; by offering support groups with customized resources.

2. **LiveSite-4-Ladies**. Using a model developed by LiveSite which simply features "*Friends. Fun. Food. & Faith;*" we offer a coordinated women's event with our network of Christian speakers and musicians. These include: Stage 2; Caleb Ministry; You-Laugh-A-Lot; Second Chance; LiveSite, The Lotz Foundation, CrossCulture, and local leaders.

3. **Faith-In-Focus (Apologetics) Events**. Our "Answers" team includes speakers such as Brian Merritt (Apologetics); Alan Whanger (The Shroud of Turin); Bill Foster (Meet the Skeptic); and Randall Floyd (Vital Truth).

4. **Chi Omega Chi Student Fraternity**. Our unique Youth-Event Team offers a significant spiritual growth campaign featuring BJ Brantley (Ignite Outreach) & Dale Elwell (CrossCulture).

After a major event is hosted, Here's Hope then provides additional follow-up services and ministries for churches and communities including...

- **Revival Speakers**
- **One Nation Under God**
- **Re-Launched Financial Weekends**
- **LiveSite Field Trips & Tours**
- **World-Touch Mission Trips**
- **Customized Spiritual Growth Campaigns**

For more information on these events, check out our web-site.
