

Re-Launched Financial Weekends with Brian Woodell

Brian Woodell; (M.B.A) is the Vice President & Commercial Relationship Manager of SunTrust Bank Central Carolina. Brian has worked with Wachovia, First Citizens Bank and SunTrust. He works with local business & lenders in securing financial backing and partnerships. He is also the past President of the Exchange Club of Greater Durham providing thousands of dollars to local charities. He currently teaches *Good \$en\$e Strategy* and *Re-Launched Curriculum* with LiveSite Network. Brian and his wife, Michelle, have one daughter and are faithful members of a local church in Durham, NC.

Host Churches and Community Groups can host a *Re-Launched Weekend* to assist local families struggling with debt, unemployment, and tithing in this tough economy. On a scheduled weekend, we'll teach the Biblical principles of a customized spending plan.

The group will begin the process of **planning a budget** for each participant, by fine-tuning the financial information which includes training in Lifestyle Stewardship in their budgets.

Re-Launched also presents a method by which the participants can attack their debt to become debt-free (with the exception of a home mortgage) in five, seven, or ten years ...many can achieve this goal in less time than that!

LiveSite Network was founded as *Educational Evangelism* in 2001. This ministry has recently changed its name and vision through a year-long process of prayer and consulting with several ministries. Our ministry model will engage churches and communities with a 2 or 3 year partnership which allows our teams to pursue a relationship in which LiveSite can provide resources and training using "Kick-off" Events. Before & after each event, we engage "Live-on-Site" to equip the community by providing educational services and referrals to assist in ministry with evangelistic goals. Our aim is to provide each of our unique ministry events within 3 to 6 months, returning over the course of 2 to 3 years in a given local community.

Our Live Site Events include...

- Here's Hope** across the state of NC. Utilizing our Here's Hope Team including Jonathan Lotz (Billy Graham's grandson); JD & Kellie Tew; Cindy Johnson; Eric Garner, and others; LiveSite can equip cooperating church bodies to reach their communities with real help for grief, financial difficulty, divorce, addiction, depression, etc; by offering support groups with our resources.
- LiveSite-4-Ladies**. Using a model developed by LiveSite which simply features "Friends. Fun. Food. & Faith;" we offer a coordinated women's event with our network of Christian speakers and musicians. These include: Stage 2; Caleb Ministry; You-Laugh-A-Lot; Second Chance; LiveSite, and local leaders.
- Faith-In-Focus (Apologetics) Events**. Our "Answers" team includes speakers such as Brian Merritt (Apologetics); Alan Whanger (The Shroud of Turin); Bill Foster (Meet the Skeptic); and Randall Floyd (Vital Truth).
- Chi Omega Chi Student Fraternity**. Our unique Youth-Event Team offers a significant spiritual growth campaign featuring Chris Leader & BJ Brantley (Ignite Outreach) & Dale Elwell (CrossCulture).

After a major event is hosted, LiveSite then provides additional follow-up services and ministries for churches and schools including...

- **One Nation Under God**
- **Re-Launched Financial Weekends**
- **LiveSite Field Trips & Tours**
- **World-Touch Mission Trips**
- **Customized Spiritual Growth Campaigns**
- **Revival Speakers**
